Eucalypt Collection

From the Forest to your Floor

ORIGINMARK™
traces our timber back to responsibly
and sustainably managed forests.

A beautiful floor shouldn't come with
unanswered questions.

LIVINSAFE A+™
sets an exceptional benchmark for low
emissions and indoor air quality,
because you should know what
you're living on.

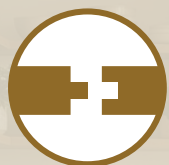

COLOURGRAIN RT™
develops extraordinary depth and tone
through advanced reactive colour
technology, working with the natural
character of the timber.

Square Edge

Tongue & Groove

Hevea Core

3mm Wear Layer

Blackbutt

Nature's Greatest Masterpiece

Crafted from verified Authentic Australian Native timbers, Eucalypt celebrates the unmistakable beauty, character and diversity of Australian hardwood. Each species brings its own distinctive grain structure, natural colour palette and individual character, creating floors with genuine warmth, depth and authenticity.

Each board is finished with six coats of UV-hardened, water-based coating for exceptional durability and a safer indoor environment.

The Eucalypt Collection celebrates timber exactly as nature intended. Why recreate colour and design when nature has already perfected it? Rich grain structures, vibrant knots and extraordinary natural colour variation make every board individual and every floor unique.

From the warmth of Blackbutt and the dramatic character of Spotted Gum, to the timeless beauty of Tasmanian Oak, Eucalypt brings the natural beauty of Australia into the home.

Australian timber. For Australian homes.

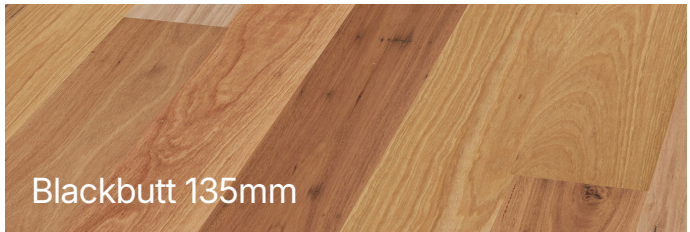

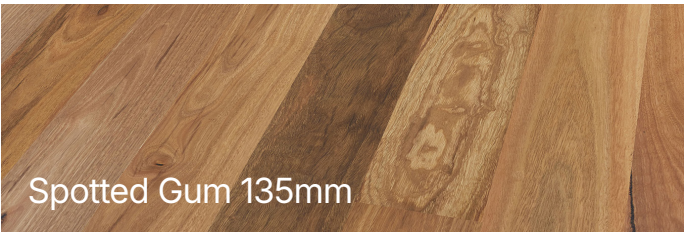

Spotted Gum

Product Specifications (135/180x14/3)

Plank Thickness	14mm	Finish	Matte
Dimensions	1820mm (L) x 135 / 180mm (W)	Surface	Smooth
